G.O. (Ms) No. 3584. Dated, the 25th October 1948

READ - the following:-

From the Surgeon-Genera, Ref:No.74319-ES1(S) dated the 2nd September 1948.

ORDER:

The Government direct that the two Civil Surgeons whose employment has been sanctioned in G.O. No. 2254 P.H. dated the 3rd July 1948 for work connected with the introduction of the Employees State Insurance Act, 1948 be entirely debarred from private practice and paid each a compensatory allowance of Rs. 100 per mensem.

2. The Government also sanction the employment of a draughtsman in the Surgeon-General's Office on a scale of Rs. 70-4-110 with the usual allowance for a period of 3 months for preparing necessary maps required in connection with the survey.

3. The Government do not approve the proposal of the Surgeon-General that a telephone connection may be sanctioned for the use of the Special Officers and that the officers may be permitted to use the jeeps at the disposal of Collectors when they visist places in the mufassal, which are not connected by railways. The question whether jeeps may be specially allotted for the use of these officers is under consideration and orders will issue in due course.

4. As regards the grant of imprest, the Surgeon-General is informed that the chief item of expenditure which will be met from the imprest is the advance of travelling allowance to the officers and the touring staff attached to them, the other items being purchase of maps. phtographs, sketches, etc. The advances of Travelling Allowance and contingence expenditure in connection with tours should properly be drawn on miscellaneous bills, debiting the amounts to the final head of account as and when necessary, with reference to articles 84 and 100 of the Madras Finance Code Volume I and not met from the permanent advances. If this item is left out of account, the amount of advance required will not be very much. The Surgeon-General is therefore requested to suggest a suitable amount consistent with the probable requirement excluding touring expenses.
